

TB Wood's Sure-Flex Plus® Couplings are Best-in-class for Performance and Value

- Stocks in the UK at Huco*
- Local technical support
- Bore & keyway service
- Fast shipping available
- *Subject to availability

Save Money Using a Smaller Coupling

The increased rating of the Sure-Flex Plus sleeves lets the user choose a one-size-smaller coupling for over 50% of common applications. This lowers the cost of both initial purchase and future sleeve replacement.

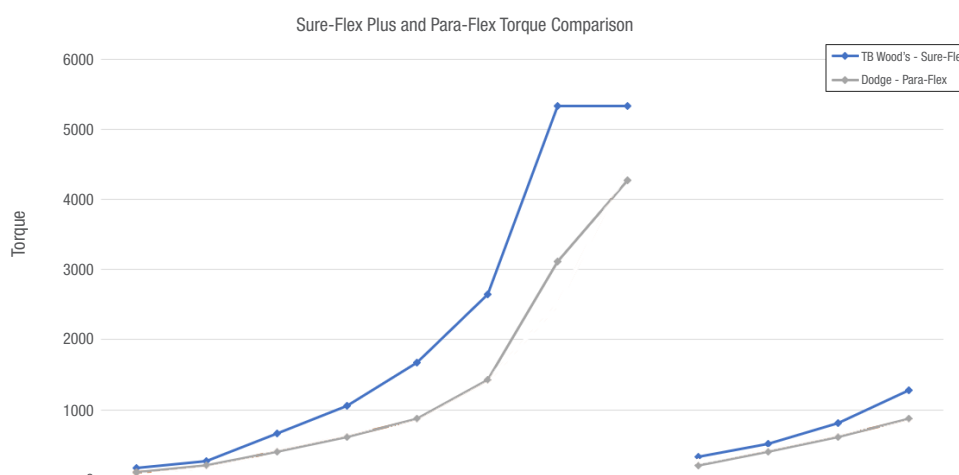

- **High Torque Rating** - 30% Increased Torque Rating, EPDM and Neoprene
- **Longer Life** - Sure-Flex Plus Lasts Over 3X Longer than the Competition
- **Better Value** - Save Money Using a Smaller Coupling
- **Interchangeable** - Retrofits to Existing Flanges
- Up to 8.20 kNm
- 7 to 21 degree torsional wind-up
- Bored-to-size, spacer, bushed flange, and clamp flange designs available
- Flexible design accommodates misalignment and protects equipment
- No lubrication required
- One-piece, split and two-piece sleeve constructions allow for easy installation under any conditions
- ATEX Compliant
