

VISIT THE ALTRA MOTION VIRTUAL EXHIBIT BOOTH TO LEARN ABOUT THE WIDE RANGE OF SOLUTIONS AVAILABLE FOR CUSTOMERS WORLDWIDE

The latest advancements in power transmission and motion control solutions from Altra Motion are on display at:

www.altraex.com

The new interactive browser experience is the perfect resource for specifiers and end users.

Visitors can easily navigate through the virtual exhibit to get a comprehensive overview of the capabilities of each leading brand while viewing imagery, videos, downloads and literature.

Handy list and search functions also allows visitors to snap to a product of their choice quickly.

By interacting with hotspots strategically located throughout the exhibit, visitors can seamlessly access relevant content including, product features and benefits, external links to brand and virtual market websites, a media tower with links to videos and a literature portal and an auditorium with links to webinars. An Innovation Spotlight area showcases the most recent Altra technologies. A convenient contact form is also included for direct inquiries.

Product areas within the exhibit include:

- Automation & Specialty
- Clutches & Brakes
- Gearing
- Couplings
- Engineered Components

Each product area/category contains multiple solutions with matching:

- Literature
- Images
- Technical Drawings
- Brochures
- Application Profiles
