TB WOOD'S INCORPORATED

Founded in 1857, TB Wood's, Inc. has grown to become a global leader in the design and manufacture of industrial couplings and belted drive solutions. Highly-engineered TB Wood's coupling products, including Sure-Flex® and Dura-Flex® elastomeric couplings, Form-Flex® disc couplings, G-Flex® grid couplings, Jaw couplings and bushings, represent the latest in coupling technology, featuring superior design and exceptional quality to ensure long-lasting performance.

CLICK ON A TAB BELOW TO DOWNLOAD/ORDER LITERATURE

[Catalogs](#) [Certificates](#) [Brochures & Flyers](#) [Application Profiles](#) [Innovation Spotlights](#) [Articles](#) [Service Manuals](#)

Select the download link to view PDF Files of any literature item. Hard Copies of literature, when available, can be ordered by clicking the box beside "Add to Shopping Cart." (BO Indicates that an item is out of stock and will be shipped as soon as it is available. AS Indicates a new literature item that will be available soon to ship.)

Literature has now been broken down into different literature type categories:

- Catalogs
- Certificates
- Brochures & Flyers
- Application Profiles
- Innovation Spotlights
- Articles
- Service Manuals
- Power Review
