

Certified Rebuild Services in Australia

For Marland Clutch & Svendborg Brakes

Marland remanufactured clutches look like new, perform like new and are warrantied like new...at half the price.

Sydney

Your old, worn Marland clutches can be refurbished locally at one of the three Marland Rebuild Centers located in Belmont Western Australia or Arndell Park NSW or Mackay Queensland for substantially less than the cost of a new replacement clutch. Our economical rebuild service applies to all Marland Clutch BCMA, CECOM and CEBMAG models.

Perth

Since Svendborg Brakes and Marland Clutch are both part of Altra Industrial Motion, Svendborg is now able to serve as an authorized local Service Center for Marland one-way clutches and backstops utilized in several key markets including petrochemical, mining, metals, power plants and cement manufacturing, on applications such as dual fan drives, inclined conveyors, Kiln drives and pumps.

Queensland

As a leading power transmission component manufacturer, Svendborg Brakes has the local team, facilities, and inspection and repair capabilities to rebuild and replace all Marland Clutch components as required. Repairs are completed to the exacting standards in which the original Marland clutch was manufactured to and will carry a new clutch 3 year warranty.

The local Marland Rebuild Service team will perform the following to restore your clutch to like-new condition:

- Inspect and replace seals, energizing springs, alloy steel rollers, aluminum cages, bearings and fasteners as required
- Inspect and precision grind the outer race and cam if required
- Assemble and test to meet Marland original design and performance specifications
- Paint and prepare for shipment

The Svendborg Brake/Marland Rebuild Center's quality program also ensures that the high Marland quality standards are met in the materials and processes that are utilized in the inspection, manufacturing, testing and final inspections.

Marland clutches are received, inspected and rebuilt in the shortest possible time frame. We will work to accommodate your shut down schedule. To avoid sub-standard counterfeit work, contact Altra Industrial Motion in Arndell Park NSW or Svendborg Brakes in Belmont Western Australia or Svendborg Brakes Mackay Queensland to assure procurement of genuine Marland products that will have the new 36 month warranty.
