

TB Wood's Sheaves

Simply the best!

The Best:

Iron

- TB Wood's has been pouring quality iron since 1857.
- **Superior, quality iron provides longer sheave life, resulting in less frequent replacement.**
- Less maintenance & downtime equals lower total cost of ownership

Service

- Full line of QD Sheaves, Bushings, and Synchronous Sprockets
- Thousands of SKU's on the shelf and ready to ship.
- **Integrated foundry and machine shop with quick turnaround.**
- Industry leading delivery! Because YOU can't afford to wait!

Engineering Support

- Industry leading online selection tool.
- **Application support from experienced professionals (over 125 years combined)**
- The right drive for the application, "The first time, everytime!"

Responsiveness

- **Customer Service: Unmatched experience & product knowledge.**
- Timely responses to your inquiries either phone or email.
- The Right Answers - Right Now!

If you're having trouble with the "rest"
Come to Wood's to experience the "BEST"!
