

Tension Controls

Dimensions/Enclosures

Dimensions

TCS-200-1

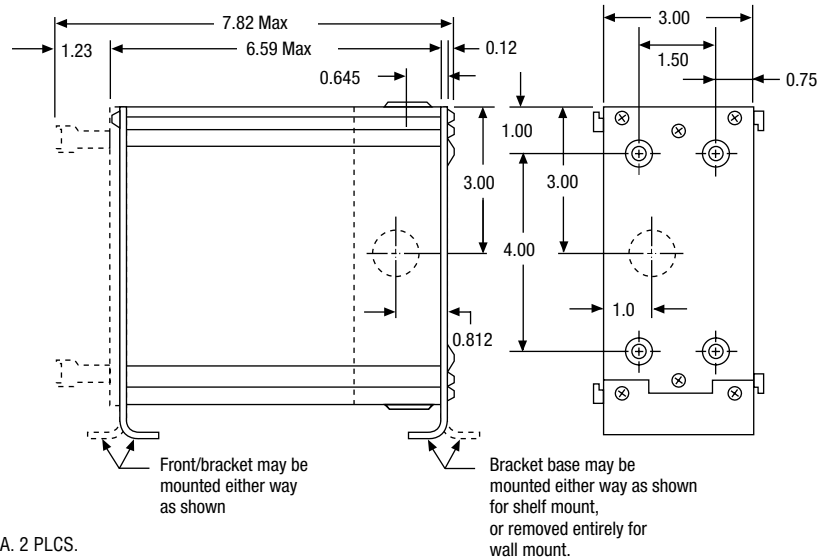

Wall/Shelf Mount

Tension Controls – For use with MCS-203, MCS-204 or MCS-207 order part number 6910-448-016.

For use with TCS-210 or 220, order part number 6910-448-029.

Power Supplies – For use with MCS-166, order part number 6910-448-019.

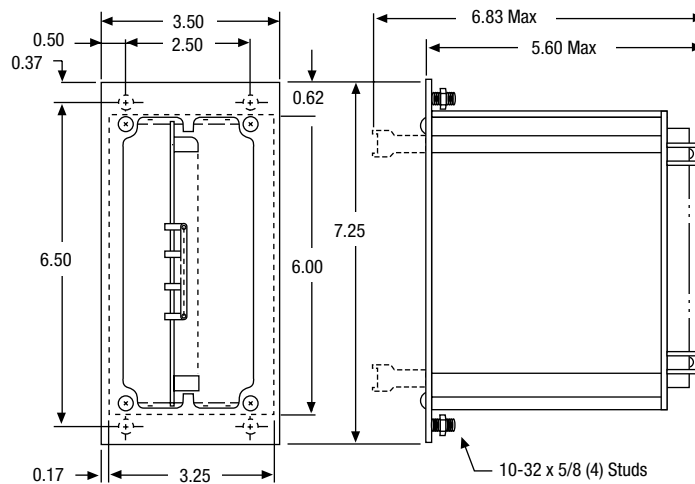

Panel Mount

Tension Controls – For use with MCS-203, MCS-204 or MCS-207 order part number 6910-448-015.

For use with TCS-210 or 220, order part number 6910-448-028.

Power Supplies – For use with MCS-166, order part number 6910-448-018.

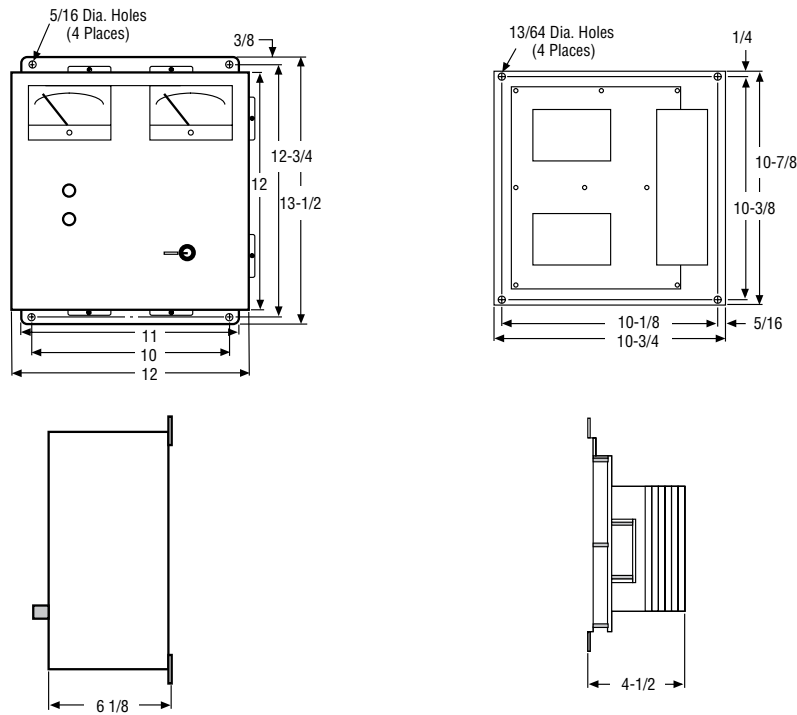

Ribbon Cable

A ribbon cable has been added to the rear terminal board of the MCS-203/204/207 and MCS-166 enclosures to improve performance and reliability. The upgrade is fully retrofitable and enclosure part numbers have not changed.

Dual Brake Controls

TCS-310

Power Supplies

TCS-167, TCS-168
