

# Warner Electric AT Series Clutches–Pulleys

P-1412  
819-0362

## Installation Instructions

### Introduction

This sheet provides step by step installation instructions for manufacturer furnished pulleys for AT series clutch pulleys.

**⚠ WARNING** Failure to follow these instructions may result in product damage, equipment damage, and serious or fatal injury to personnel.

### Key and Snap Ring Mounting

1. Insert the factory furnished key into its keyway in the clutch hub. Position the sheave or pulley so it will fit onto the hub aligning the keyway with the key. Be sure to keep the tapped pulley removal holes accessible.

**Note:** For high cycle rate applications or applications with potential pulley misalignment, apply Loctite® to the I.D. of the pulley to eliminate the possibility of keyway wear.

2. Gently tap the sheave or pulley until it seats against the hub shoulder.

**Note:** Do not force the pulley or sheave onto the hub if it will not go. Check alignment to assure it is going on evenly. Check for burrs or ridges on the shaft and remove any which may be present with a file.

3. Install the furnished retaining ring with retaining ring pliers. Ensure that the retaining ring is fully seated around its periphery.

**⚠ CAUTION** When installing this or other retaining rings, be sure to hold the ring with one hand so it will not spring away should the pliers lose their grip on the ring. Always wear safety glasses when installing or removing retaining rings.

### Through Bolt Mounting

**Note:** This method is suitable for pulleys and sheaves with adequate radial wall thickness to accommodate through holes.

1. Drill holes through the pulley or sheave to match the tapped holes on the hub shoulder of the clutch.
2. Align the through holes in the sheave or pulley with the tapped holes on the hub shoulder and gently tap until it seats against the shoulder.

**Note:** Installing the keyway and snap ring are not necessary if the sheave or pulley is held in place by the through bolt method.

3. Secure the pulley with capscrews, using lockwashers or Loctite to assure thread retention.

# Warranty

Warner Electric LLC warrants that it will repair or replace (whichever it deems advisable) any product manufactured and sold by it which proves to be defective in material or workmanship within a period of one (1) year from the date of original purchase for consumer, commercial or industrial use.

This warranty extends only to the original purchaser and is not transferable or assignable without Warner Electric LLC's prior consent.

Warranty service can be obtained in the U.S.A. by returning any defective product, transportation charges prepaid, to the appropriate Warner Electric LLC factory. Additional warranty information may be obtained by writing the Customer Satisfaction Department, Warner Electric LLC, 449 Gardner Street, South Beloit, Illinois 61080, or by calling 815-389-3771.

A purchase receipt or other proof of original purchase will be required before warranty service is rendered. If found defective under the terms of this warranty, repair or replacement will be made, without charge, together with a refund for transportation costs. If found not to be defective, you will be notified and, with your consent, the item will be repaired or replaced and returned to you at your expense.

This warranty covers normal use and does not cover damage or defect which results from alteration, accident, neglect, or improper installation, operation, or maintenance.

Some states do not allow limitation on how long an implied warranty lasts, so the above limitation may not apply to you.

Warner Electric LLC's obligation under this warranty is limited to the repair or replacement of the defective product and in no event shall Warner Electric LLC be liable for consequential, indirect, or incidental damages of any kind incurred by reason of the manufacture, sale or use of any defective product. Warner Electric LLC neither assumes nor authorizes any other person to give any other warranty or to assume any other obligation or liability on its behalf.

WITH RESPECT TO CONSUMER USE OF THE PRODUCT, ANY IMPLIED WARRANTIES WHICH THE CONSUMER MAY HAVE ARE LIMITED IN DURATION TO ONE YEAR FROM THE DATE OF ORIGINAL CONSUMER PURCHASE. WITH RESPECT TO COMMERCIAL AND INDUSTRIAL USES OF THE PRODUCT, THE FOREGOING WARRANTY IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED BY OPERATION OF LAW OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

## Changes in Dimensions and Specifications

All dimensions and specifications shown in Warner Electric catalogs are subject to change without notice. Weights do not include weight of boxing for shipment. Certified prints will be furnished without charge on request to Warner Electric.
