Flexible Disc Couplings

Flexible units designed for infinite life and manufactured in highly resistant 300 series stainless steel. Lubrication not needed. High reliability and low maintenance. No parts with mechanical wear. High temperature operation. High level of inherent balance. Anti-corrosive protection.

Shims for Alignment

The Powershim line includes different sizes with openings for mounting onto base screws: M12, M18, M27, M36 and M52. Cost reduction as well as a reduction in alignment time. Stock control, safety and reliability. Machine alignment with precision.

Coupling Protectors

Constructed in galvanized carbon steel. Available in 6 sizes (CG-100 to CG-500). Maximum Axle Diameter to 220mm. Maximum Length to 720mm. In compliance with norm NR-12 art 12.47 and 12.50.

Bearing Isolators

Manufactured with non-sparking brass and increases the useful life of bearings. Protects the environment. Permanent sealing. Easy installation. No contact and no wear and tear.

Floating Shafts

Made from a diverse range of materials that fully meet the needs of the operation. High durability increases the equipment reliability. Safety in the event of failures. Savings in operational costs. Ease of installation. Appropriate for vertical movements

Everything Altra

From the Altra homepage you can connect to all of our brands, and visit our market portals to find solutions for your specific needs.

www.altramotion.com

We are a leading global designer and manufacturer of quality power transmission and motion control products utilized on a wide variety of industrial drivetrain applications.

Altra clutches and brakes, couplings, gearing and PT component product lines are marketed under 22 well known manufacturing brands that have each been in existence for over 50 years. Operating independently, each of these companies is committed to the guiding principles of operational excellence, continuous improvement and customer satisfaction.

Highly-engineered Altra solutions are sold in over 70 countries and utilized in a variety of major industrial markets, including food processing, material handling, packaging machinery, mining, energy, automotive, primary metals, turf and garden and many others.

Get Connected

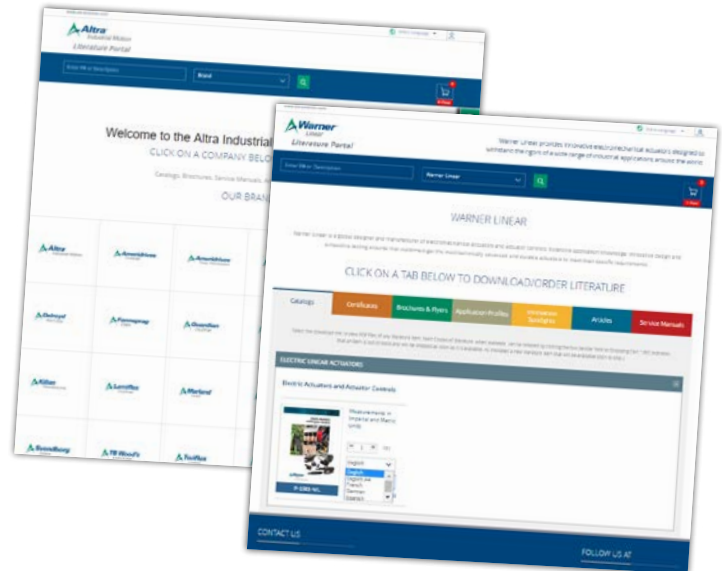

The Altra Newsroom makes it quick and easy for you to get the news you need when you need it. From new literature releases to trade show schedules, the news is at your fingertips 24 hours a day.
