

Warner Linear is dedicated to the design and manufacture of “Best-in-Class” electromechanical actuators and controls.

Our actuator testing capabilities include dual load life cycling, low and high pressure washdown tests, lift and thermal shock submersion tests as well as material analysis and vibration testing.

Light Duty Actuators

M-Track models are compact, completely self-contained and sealed to allow for use in small spaces without sacrificing power. Capacity/speed ratings from 25 lbs. @ 1.75 in./sec. to 165 lbs. @ 0.25 in./sec.

K2 Rugged Duty Actuators

K2 acme screw models for severe duty applications. 115/230 volt AC or 12/24 volt DC motors. Load ratings to 2200 pounds. Stroke lengths to 24 inch standard.

K2X Rugged Duty Actuators

K2X ball screw models for severe duty applications. 115/230 volt AC or 12/24 volt DC motors. Load ratings to 2800 pounds. Stroke lengths to 24 inches.

S-Track Actuators

Controllable and quiet operation. 12 volt, 400 pound capacity. Up to 12 inch stroke. Programmable limit switches.

K2RA Series Rotary Actuators

12 volt motor/gearing combination. For spout, winch and lift applications. Torque capacities to 140 inch pounds.

Custom Actuators

Our broad range of standard actuators can be custom configured to meet specific applications including special pin to pin and stroke lengths, special end fittings, mounting brackets, paints, and lead wire lengths.

Actuator Controls

All controls are state-of-the-art using surface mount electronic components and automated circuit board manufacturing methods. Actuator mounted or remote mountable models are available.

Everything Altra

From the Altra homepage you can connect to all of our brands, and visit our market portals to find solutions for your specific needs.

www.altramotion.com

We are a leading global designer and manufacturer of quality power transmission and motion control products utilized on a wide variety of industrial drivetrain applications.

Altra clutches and brakes, couplings, gearing and PT component product lines are marketed under 22 well known manufacturing brands that have each been in existence for over 50 years. Operating independently, each of these companies is committed to the guiding principles of operational excellence, continuous improvement and customer satisfaction.

Highly-engineered Altra solutions are sold in over 70 countries and utilized in a variety of major industrial markets, including food processing, material handling, packaging machinery, mining, energy, automotive, primary metals, turf and garden and many others.

Get Connected

The Altra Newsroom makes it quick and easy for you to get the news you need when you need it. From new literature releases to trade show schedules, the news is at your fingertips 24 hours a day.
