

Modernize Your Motor Manufacturing

RAPID TURNAROUND. GLOBAL
FOOTPRINT. EXPERT COLLABORATION.

Are you looking to change your motor manufacturing?

Portescap offers scalable solutions for a wide variety of miniature motor technologies, including brushless DC, brush DC, and steppers. With manufacturing facilities in the United States and India, we can produce and deliver your motors within 3-9 months, ensuring they are competitively priced, efficiently produced, and meet the highest quality standards.

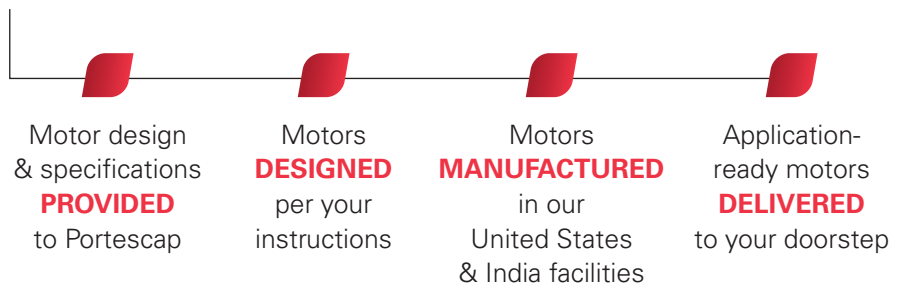

If you:

- Have your motor design specifications readily available
- Streamline operations by consolidating manufacturing facilities
- Seek to diversify your motor supplier base

And need:

- A trusted, reliable motor manufacturer who can build your motors to design within a rapid timeframe

THEN PORTESCAP IS YOUR PARTNER.
